OUR GOALS

“Be a part of the solution not part of the pollution”

– The Fresh Quotes –

Goals & Objectives

- 
- ❑ To promote and encourage the maintenance of high standards of waste management services in Malaysia
 - ❑ To encourage collaboration and cooperation between all those interested and concerned with waste management
 - ❑ To organize meetings, technical visits, training courses, workshops and seminars on issues of waste management
 - ❑ To organize study trips to promote the transfer of practical information and ideas on waste management
 - ❑ To raise funds by donations and sponsorships to further the aims of the association subject to the conditions that prior approval be obtained from the Registrar of Societies and relevant authorities
 - ❑ To prepare working papers for discussion and to address waste management matters
 - ❑ To look after the general welfare of members
 - ❑ To establish and maintain contact with local & international organisations whose activities are related to waste management
